

WHAT WE DO

Thanks to the generosity of the local community, **The Scholarship Fund, a 501 (c) (3) non-profit, has awarded \$17 million in scholarships and sent ~5,000 Alexandria students with financial need to college over the last 35 years.** We also provide college and financial aid advising to get kids on the college path.

We support Alexandria students through **all four years of college** to make a degree truly attainable for students with financial need

Our scholarships and college aid advising are often the difference between a student going to college...or simply staying home.

Scholarships Change Lives...Forever.

WHO WE SERVE

ACPS STUDENTS: Grades 6-12. We help them get on and stay on the college path.

FIRST GEN: More than half of our recipients each year are the **first** generation in their family to attend college.

STUDENTS OF COLOR: in 2021, 44% of our recipients were Black students, 21% were Hispanic students.

THE NEED: More than 60% of students in Alexandria Public Schools live near or below the poverty level.
